Description

A really good quality Chinese camphor wood chest, profusely carved. With deeply carved reliefs on the top and front of ships and figures fighting within a seascape, on stepped bracket feet. The sides and back are also carved. To the sides are two carved hand handles along with its original fancy brass latch to the lid. Inside, the chest is clean and is lined with camphor wood with its distinctive aroma and has a removable tray. This is a really good example with some good deep detailed carving and a good colour. Would make a great blanket chest, storage box or could be used as a decorative coffee table or TV stand. Construction/Wood: Camphor wood Condition Report: Good condition. General wear and marks commensurate with age. Dimensions: Width: 105cm (110cm with handles) Depth: 52cm Height to top: 58cm Internal: 46cm Deep x 99cm Wide x 36cm High
