A very tall and narrow Edwardian cupboard and drawers, also known as a tallboy. A good size storage cupboard, ideal for those limited spaces. The shelves could be removed if you wish, allowing for hanging space, making it an ideal coat cupboard for the hall or cloak room, or as a very small wardrobe in a guest or child's bedroom. There are three drawers each with the original cup handles, and below them you'll find an attractive wavy edged plinth and feet. This particular tallboy is made from pine and satinwood, and will look very nice once wax polished exposing a rich warm tone. Height 79", width 35", depth 20", internal depth 16.5"
