Description

A WW1 Aviators pocket watch. A black dial marked '30 hour luminous mark V, BH 4771'. This watch would have been mounted in the dashboard of an RAF plane during WW1, the case back has two small indents to the case back which would have been caused by the tension clips holding it in place. Case back inner marked 'PURE NICKEL RW'. Circa 1916. Case Width 51 mm. From Kembery Antique Clocks Ltd. you can expect a genuine pocket watch that is in full working order and sold with 12 months guarantee. Free tracked, insured and signed for delivery on a day of your choice. International deliveries please contact us for a quote.
