Description

Our Stock # 10.1452 This is an antique, Georgian, bow fronted, hanging corner cabinet dating to c.1780. Deep and rich in colour with a desirable aged patina this corner cabinet is in good order throughout and represents a fine example of it's type. The attractive grain in the oak doors is complimented and highlighted by the mahogany perimeter crossbanding and veneers to the stiles and upper frieze. The modest crown moulding is in good proportion and caps this cabinet beautifully. Behind the working lock and key the doors open to reveal a painted interior with three bow front shelves offering generous storage room. An attractive and understated corner cabinet with solid joints and construction, delivered waxed, polished and ready for the home.
