Description

A lovely two drawer mahogany side table on delicate turned legs, dating from the late 1800s. Good small proportions perfect for a hallway or small writing desk. It is in good condition for its age. Sturdy and in good order with a nice aged patina. The drawers open well and are generally clean and tidy. It has its original turned knobs however one bottom part is chipped. There are some marks, light scratches and stains and signs of age and use, particularly on the top surface but nothing detrimental. The best description comes from the photos.
