Gents 9ct gold Longines wrist watch, 1965

Price

Sold

Item Reference: SA582061

Date of manufacture: 1960

Description

Gents 9ct gold Longines wrist watch, 1965. The watch has a hand-winding movement, calibre 370, which is working nicely. The movement is fully signed and the serial number 12,863,058 dates it back to 1965. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for London 1965, together with the name Baume, the UK importers of Longines watches to the UK and the Commonwealth. The case is in good condition, just a hint of gentle unevenness to the back. The lens is in good condition. The signed dial is in lovely condition and has its original dauphine shaped hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
