Description

A 1930s Limit No 2 pocket watch and chain. The watch has a signed stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50.8mm diameter excluding the winding stem and the loop. The case is nickel and has minor marking from use but overall it is in nice condition for a 1930s piece. The glass lens is in nice condition with only the odd minor mark from use. The signed dial has a hairline between 10 o'clock and the center but it is faint. The watch has its original gold hands. The watch comes with a nickel Albert. The Albert chain measures 30 cm including the T bar and clasp. The watch and chain will be sent in a new presentation box. Price includes worldwide postage
