Description

Wonderfully stylish 1930's ladies hand bag in brown leather with a chrome clasp and frame. Inside the bag it's lined and has built in pockets which house vanity accessories. Condition of this bag is excellent, almost mint with little to no signs of it's true age as you would expect, it's obviously been lovingly looked after in it's ninety odd years and not used too much if at all. This bag is a real delight and ideal for modern day use for evening or daytime.
