Description

This antique Victorian mahogany chest of drawers dating to the 1860-80's period is of the smaller variety & quite rare to find in this size. It's in good original condition with all the drawers working well. The drawers have turned bun handles, locks & fine dovetails. They are also very deep & the bottom one is extra deep because it's attached to the plinth base. This chest also has rounded corners & flat bun feet. It's a nice compact piece with no wasted space.
