Description

Queen Anne style high-back leather wingchair This Queen Anne style high-back leather wingchair was made circa 1920. This wingchair has the elegant high back, and so is striking in its overall look. The chair stands on plain cabriole legs with pad feet. We have upholstered this chair using our own craftspeople. The leather is applied in a raw state before it is hand dyed and then finally finished with our fantastic antique look. There are brass capped subs running around the borders of this wing chair, each one skilfully tapped in, a very time-consuming process, but worth the trouble as it gives the chair that extra interesting finish. 129cms high (51ins) 69cms deep (27ins) 76cms wide (30ins) Seat 48cms deep (19ins) 61cms wide at front(24ins) Seat height 48cms (19ins) All dimensions are approximate We can arrange delivery nationwide or we can obtain a quote for it to be shipped overseas This item carries the Hingstons Antiques product guarantee plate.
