Description

A charming Victorian pine chest of drawers with a curved top drawer and a further two full width drawers below. The top of the chest of drawers has a serpentine edge, typical of English chest's of this time. The top drawer was never designed to have knobs, and can be opened by the overhanging under-edge. The wooden knobs on the other drawers are the original and in very good condition. As are the attractive feet the chest stands on - the original. Recently stripped of its original paint to the bare wood. Now ready for waxing or painting. Height 36.5", width 38", depth 20"
