Description

For your consideration is this wonderfully stylish English ladies handbag made from cord with a Lucite and chrome clasp. This is a totally authentic bag in a wonderful Art Deco shape which dates to the late 1930s-1940s. The interior is lined in a plum silk color with an inner zip and lipstick compartment pouch. The inside label reads "A GENUINE CORDE PRODUCT REG. TRADEMARK MADE IN ENGLAND". Condition is as good as you could possibly hope for from a bag this age. It shows some vintage signs of wear but it's certainly minimal and needs to be inspected closely to see anything. Ideal for daytime and evening. Free UK delivery
