Description

Gents 9ct gold Cyma wrist watch, 1956. The watch has a signed hand-winding movement, calibre R458, which is working nicely. The watch measures 30mm diameter excluding the winding crown and the lugs, it would suit someone with a slimmer wrist. The case is 9 carat gold and there are hallmarks inside the case back for Edinburgh 1956 with a case maker's mark for the British Watch Case Company. The case is in good condition, just a fairly small "ding" to the back. The winding crown has the C logo. The lens is in good condition. The signed dial is in good condition, just a hint of age related darkening but nothing serious at all. Feuille shaped hands, subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a clam style Cyma presentation box. Free worldwide shipping
