Description

Early 19th century satinwood wheel barometer by Tara of Louth; the tulipwood cross-banded case with a 10" silvered register, an hygrometer, a thermometer and a level; surmounted by a swan's-neck pediment. In good condition and working order. N Tara is known to have been working in Louth, Lincolnshire from around 1810 to 1830. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
