Description

Large late 19th century brass tub in the Antiquarian manner; of ovoid shape with two lion's-mask ring-handles and applied on each side with an elaborate copper coat-of-arms. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
