Description

A Westminster-Chime Grandmother clock in a faux walnut case by HERTZ. The clock strikes on the quarters and the hour playing the westminster tune. It is very clear and precise with a wonderful tone. The 8 day movement has just been fully serviced by our BHI registered staff. A fully opening front glazed door through which the pendulum can be seen working. The brass dial has floral painting to the centre and enamelled cartouche black Roman numerals. It is signed with the makers name. STRIKE/SILENT FACILITY. All cards accepted.
