Description

What a find! Very rare 3m / 9' 10" long solid oak Monastery table with a 7.5cm or 3" thick planked top. Really unusual to find one of these at such a size, comfortably seating 5 each side with the ends too, giving you a 12 seater table...the ultimate kitchen dining table and with bags of character. The planked top sits on the refectory style sledge feet. Fantastic colour to the old provincial oak. The table can be dismantled for moving, but it is really heavy, so needs a few people to lift it! Measuring: total length 300cm or 118" or 9' 10" width 89cm or 35" height from floor to underside of the table top 69cm or 27 1/4" height to topside of the table 75cm or 29 1/2" Delivery is no problem to arrange for you, but I would need to arrange for help, ideally need four people to lift the table...please send me your postcode so i can work out delivery and let me know if you can provide assistance to move it into the house!
