Description

This stylish craftsman's made one off arts and crafts piece has been made in the form of a Viking long boat out of wrought steel which has been shaped and rivetted with hammered texturing and a heat blued finish. It comprises of the main vessel which contains a brass dish for ash with cigarette rests, and a petrol lighter which hangs from a hand made chain. At the rear of the boat is a supposed look out which in this case forms a container for cigarettes.
