Date of manufacture: 1890

Dimensions

Height = 70 cm (27.6")

Width = 37 cm (14.6")

Depth = 37 cm (14.6")

Description

A massive Japanese bronze vase , applied all around with `precious objects ` in various patinations . This striking vase was made by casting the body of the vase in bronze and then individually casting and applying decorations , it was a mammoth task typical of Japanese workmanship . Each object has different types of patination and then areas were further mounted with semi precious stones . Restored to it`s original state , signed with engraved character signature .
