Description

This antique French marble top cabinet is wonderful quality & has nice small proportions. The marble top is very colourful & perfect. The floors marquetry on the door is absolutely stunning with amazing details & it's set on a tight burr walnut panel. The gilt bronze mounts & feet are also exceptional quality & very detailed. Please enlarge the images to appreciate these details. There is a drawer at the top with a lock & the main cupboard has a single shelf inside. The sides of this cabinet have kingwood panels. I would date this piece to around the 1920-30's period & it's in excellent condition, having just been French polished. Width – 29 inches, 74 cm Depth – 15 inches, 39 cm Height – 35 inches, 89 cm
