Description

A 1940s Art Deco Orator pocket watch. The watch has a stem-winding movement which is working nicely. The movement is stamped Orator, Swiss, 16 rubis and the calibre number 18.220. The watch itself measures 48mm diameter excluding the winding stem and the loop. The case is stainless steel and has nicely stepped Art Deco sides. The case has light surface marking from use but overall it is in nice condition. The acrylic lens is in good condition. The silvered two tone dial is signed Orator, Swiss made. The dial is in its original finish and has light wear to the numerals on the chapter ring although it has a great Deco look. The watch has its original blued steel pierced Art Deco hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
