Description

An impressive and most unusual late 19th century DOMESTIC POSTBOX ideal perhaps for a hotel foyer. Constructed of solid mahogany with an aperture to the sloping top for letters, it features an interesting marquetry panelled front door depicting a scene of a farmhouse within a rural setting of trees etc., very much in the Art Nouveau style of Galle. This door opens to reveal a shelved interior and it is set on a double plinth base. 42ins (107cms) high.
