Description

Gents 9 carat gold Rone wrist watch, 1960. The watch has a 17-jewel hand-winding movement, calibre 1059 based on an ETA 2370, which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for London 1960 with a case maker's mark for the Rone Watch Company. The case is in lovely condition, as is the lens. The signed dial is in its original finish which has an attractive part textured finish with concentric rings running through the numbers. Original hands, red centre seconds and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
