

SA586629

A huge Indian Elephant

Price

Sold

Item Reference: SA586629

Date of manufacture: 1890

Dimensions

Height = 83 cm (32.7")

Width = 84 cm (33.1")

Depth = 44 cm (17.3")

Description

This highly impressive very large scale study of a Indian elephant was carved from a single log including the base. It is carved beautifully and is further enhanced with raised tube-line lacquer work with some traces of mirrored detail which is painted in gold and black. The elephant has a red lacquered finish and the eyes and tusks are carved from ivory. This wonderfully decorative piece is in good condition with age related wear and light distressing to its finish.
