Description

A lovely Victorian pine chest of drawers dating from the late 19th Century. Good quality, very well made and a nice small size. They are an attractive light colour and have a smooth waxed finish. The drawers run well and it is a clean sturdy set with turned blackened knobs. The bun feet have been replaced but are in keeping with the style of the chest and look good. There are the usual signs of light wear and a few small marks but nothing major and they display beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton. Regular London deliveries for £50. Nationwide delivery available, please get in touch for an accurate quote.
