Description

Gents 1960s Smiths Everest wrist watch, made in England. The watch has an English hand-winding movement, calibre 10104E, which is working nicely. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in good condition, just a thin line of wear to the back, next to the movement opening. The lens is in good condition. The signed dial is in good condition, just a little even discolouration. Original hands and centre seconds. A new strap has been fitted. Free worldwide shipping
