Depth = 44 cm (17.3")

Description

Superb example of an antique riveted copper boiler dating from the late 19th Century. The perfect size for a log bin or planter. Excellent quality with a riveted seam, thick rolled edge and riveted detail around the bottom. It is in good original condition and displays beautifully. There are no damages, splits or holes. There are some minor dinks and dents but nothing detrimental. It has been lightly cleaned and polished to retain its wonderful aged patina and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. Nationwide delivery £20.
