Item Reference: SA587403

Date of manufacture: 1960

Description

The watch has a 17-jewel hand-winding movement, calibre 280, which is working nicely. The movement is signed Longines and the serial number 11,964,327 dates it back to 1962. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in very nice condition, some very light scratches to the back but nothing serious at all. The inside of the screw-on case back has the Longines name and wings logo. The lens is in good condition. The signed dial has its original hands and centre seconds hand. There is some marking across the dial. A new strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
