Description

A pair of Victorian tapestry upholstered armchairs, the backs and sides with an unusual roll over and buttoned upholstery with scroll ends and trimmed with cord, the sprung seats with raised on ring turned legs with original brass castors. A very pretty pair of chairs in clean condition. There is some threading to the tapestry at the front edges but this could be trimmed off. Some losses to the fringing. 77cm high x 64cm wide, the seats 57cm deep and 35cm high. I also have the matching sofa, listed separately.
