Description

Very good size French cherrywood desk in the louis xv style, circa 1920. Well made and in good condition, the desk is finished on the rear too with panels, so it can free stand if necessary. Five deep drawers, all running well. The surface is in good condition, some marks from age and use, but all polished over and has a good colour tone. Certainly a useable size desk for an everyday office space as this is quite a deep desk. Measuring: 135cm wide x 80cm deep x 76cm high 57cm floor to underside for leg height Delivery to most England, Wales and Scotland addresses at £65 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
