Description

Very attractive ladies Art Deco brooch, totally authentic and to the period, dating to the 1930's. Features an emerald green glass center piece which is mounted on a chrome bow shaped back plate. One of the leading manufacturers of Art Deco jewellery was produced in the 20's and 30's in Europe and was very innovative and individual pieces, aesthetically characterised by the modernist designs. These earrings are made from silver plated white metal with a green glass center accent, embossed with a geometric patterning. The mildest of tarnishing to the silvering, otherwise excellent condition. Clasp works well.
