The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1948 with a case maker's mark for Fritz Kundert of the Hefik Watch Company. The case is in good condition, just a little gentle unevenness to the back but nothing serious at all. The lens is in good condition. The signed dial is in its original finish which is in good condition. Blued steel hands, a subsidiary seconds dial and outer minute markers. A new black leather strap has been fitted.
