## Description

Gents 1955 Bulova wrist watch. The watch has a 17-jewel hand-winding movement which is working nicely. The movement is signed Bulova and the date code dates it back to 1955. The watch measures 27mm wide excluding the winding crown and 29mm high excluding the lugs... it would suit a slimmer wrist. The case is gold plated and it is in good condition with just one scratch to the top of the bezel. The watch still has the original signed Bulova winding crown. The stainless steel case back has the same date code as the movement, 1955. The lens is in good condition. The signed dial is in its original finish and it is in good condition. A later brown leather strap has been fitted. The watch will be sent in a new presentation box.
