Description

This is a very charming flapper girl pin cushion doll with legs and her original skirt /cushion. Dating to the 1930's, she has lovely detailing, all hand painted. The colours are bright and vivid and there's no damage or defects to her. Originates from Germany but I am unable to read the makers mark as the skirt is tightly secured. Condition is excellent no flaws or damage to mention.

Internal Ref: #20
