## Description

Gents 1960 Bulova wrist watch. The watch has an automatic movement which is working nicely. The movement is fully signed and the date code dates it back to 1960. The watch measures 32mm diameter excluding the winding crown and the lugs, it would suit a slimmer wrist. The case is gold plated and it is in lovely condition, and it has the signed Bulova winding crown. The case back is also signed Bulova, and it states that the watch is waterproof but, as with any vintage watch, it should be kept away from water. The case back also has a personal inscription dated 25-12-61 and the case date code for 1960. The lens is in good condition. The signed dial has its original hands, centre seconds and a circle of minute markers running through the number markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
