Description

1930s nickel pocket watch and chain. The watch has a Swiss stem-winding movement which is working well. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and is in nice condition with only a small "ding" to the back edge. The glass lens is in nice condition. The white dial is in nice condition and has blued steel hands, subsidiary seconds dial and an outer minute track. The watch comes with a single albert, 24cm long including the T-bar and the clasp, and also a tassel fob. The watch and chain will be sent in a new presentation box. Price includes worldwide postage
