Description

Gents 1956 Bulova wrist watch. The watch has a signed Swiss 17-jewel hand-winding movement which is working nicely. The date code dates it back to 1956. The watch measures 32mm diameter excluding the decorative pierced lugs. The case is 10ct rolled gold and it is signed with the Bulova name on the back, in small letters, together with the same date code for 1956. The case is in good condition as is the lens. The signed dial is in good condition (just a very small amount of the lettering missing but not very noticeable to the naked eye). A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
