## Description

Antique 1914 Waltham Traveler full hunter pocket watch. The watch has a stem-winding movement, Traveler grade, which is working well. The movement is fully signed and the serial number 19563825 which dates it back to 1914. The movement is protected by an inner hinged cover. The watch itself measures 50.3mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marks from use but overall it is in nice condition. The front of the case has monogrammed initials and the original owners name engraved on the front. The winding crown pushes in to release the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial has a faint hairline crack between the centre and 6 o'clock but overall it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
