Description

1920s nickel pocket watch and chain. The watch has a Swiss 10-jewel stem-winding movement which is working well. The watch measures 55mm diameter excluding the winding stem and the loop. The case is nickel and is in nice condition. The watch has a screw on front and back. The glass lens is in nice condition with just a small nibble to the outer edge at the bottom. The white dial has several faint hairline cracks although hardly noticeable to the naked eye. The watch has its original blued steel hands. The watch comes with a double albert, each chain measures 25cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box. Price includes worldwide postage
