Description

A fine pair of solid Sterling Silver salt cellars with elegant scrolling floral designs, standing on three hooved legs with scallop tops. They are stylish and superb quality and a good large size weighing approximately 3 1/2oz. They are both fully hallmarked for Robert Harper, London, 1858 and 1859. They are in excellent condition with a clear hallmark. There are no major damages and they display beautifully. There are some faint surface marks and a few light scratches and small dinks but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
