Description

Gents 1950s Enicar De Luxe wrist watch. The watch has a signed 17-jewel Enicar hand-winding movement, calibre 1292, which is working nicely. The watch measures 35mm diameter excluding the winding crown and the handsomely shaped lugs. The case is gold plated and it is in good condition, just a little rubbing to the highest points of the lugs. The lens is in good condition. The signed dial is in its original finish with original hands, a textured outer rim and a subsidiary seconds dial. There is a little marking but overall very acceptable. A new strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
