Dimensions

Height = 70 cm (27.6")

Width = 55 cm (21.7")

Depth = 55 cm (21.7")

Description

Circa 1920-1940 a glass chandelier with original glass 'swirls' at the top and in very good condition. The chandelier measures 70cm in length from the top hook to the very bottom of the large glass drop and about 55cm at the widest part. The arms, the candle cups and the tall candle tubes are all glass and there are no signs of damage. The glass is clear and not yellowish as may appear in some photos - caused by the reaction of the camera flash. It was rewired to UK specifications by a qualified electrician a few years ago and should have an up to date PAT test before installation. As we no longer sell through a retail outlet and due to changed circumstances, if the buyer can arrange collection from us we will offer a 20% discount on the price of this one, and the other similar chandelier. Alternatively, please contact us to discuss the best delivery options sending us your postcode, thank you.
