Description

A beautiful Regency mahogany chest of drawers dating from the early 19th Century, set on bracket feet. Each drawers front has a delicate geometric inlaid border and it has all original turned wood handles. It is excellent quality, very well made and in good original condition with a rich patina. There is a small split to the top surface and a split down one side which has been filled and repaired. One key escutcheon has been changed and there are a few chips and knocks around the base and feet but nothing major. The drawers run well and it a clean sturdy set that displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free delivery within 10 miles of Ashburton, London delivery £50.
