Description

Gents 1950s Arctos wrist watch by Weber & Aeschbach. The watch has a hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in good condition, just a little rubbing to the lug tips and behind the crown, but you have to look closely to see. The stainless steel case back states that the watch is waterproof but, as with any vintage watch, it should be kept away from water and moisture. The case back has a scratch across it. The lens is in good condition. The dial is signed with the name Arctos, a name registered by the German manufacturer Weber & Aeschbach. The dial. The dial is in good original condition with original hands, centre seconds sweep and a date display. A later leather strap has been fitted. The watch will be sent in a new presentation box.
