Description

Mid-size 9ct gold Hefik wrist watch, 1960. The watch has a Swiss 'first quality' hand-winding movement which is working nicely. The movement is signed Hefik Watch Co Ltd and also Bird in Ring, a name registered by Fritz Kundert of the Hefik Watch Company. The watch measures 30mm diameter excluding the winding crown and the lugs so it is classed as mid-size and would suit a man with a slimmer wrist. The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1959 with a maker's mark for the Dennison Watch Case Company, a prolific manufacturer of cases for various watch makers. The back of the watch has a 1960 long service inscription. The lens is in good condition. The signed dial has its original hands, a subsidiary seconds dial and outer minute markers. There is a little freckling if you look very closely. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free UK and worldwide postage
