Fine early 19th century GILLOWS of LANCASTER two drawer mahogany side or dressing table. Although not stamped this is definitely a Gillows made table with stamped COPE'S PATENT gilded brass castors all round. The two drawers are cock beaded with original nicely turned wooden knobs and are fully mahogany lined. The table has typical Gillows type reeded and turned legs with Cope's castors. The table has a 2" high gallery to the top. As you might expect the table has been made using the best of timbers and is in totally original and un-touched condition. The table is a lovely mellow mahogany colour with original finish. Highest quality piece of furniture of a great size and very useful. SIZE; 36" wide by 20" deep by 29" high plus the 2" gallery.
