Description

1928 Waltham Traveler full hunter pocket watch. The watch has a stem-winding movement, Traveler grade, which is working well. The movement is fully signed and the serial number 26566192 which dates it back to 1928. The movement is protected by an inner hinged cover. The watch itself measures 50.7mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marks from use and a few mild bruises to the back cover but overall it is in nice condition for a 1920s piece. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial has several faint hairline cracks to the outer edge between 11 & 12 o'clock but overall it is in nice condition. The watch has its original gold hands and blued steel sub seconds hand. The watch will be sent in a new presentation box. Price includes worldwide postage
