Description

A 1920s silver pocket watch and chain. The watch has a good quality nicely jewelled stem-winding Swiss movement with micro regulator which is working well. The movement is protected by an inner hinged cover. The watch measures 49mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside the two case backs for Birmingham 1924 with the case makers mark for the Dennison Watch Case Company. The case is in nice condition with only minor marking from use. The glass lens is in nice condition with only the odd minor mark from use. The dial is in very nice condition. The watch has its original blued steel hands. The watch comes on an antique hallmarked silver double albert chain. Each of the longer chains measure 19cm including the T bar and clasp. The watch and chain will be sent in a new presentation box. Price includes worldwide postage.
