Description

Very good quality pair of high wing back armchairs, great style and elegant frames, circa 1900. The sweeping arms leading up to the wings of the armchair and the stepped back or headrest. Lovely fine detail to the arms and the tapering legs too, finished with a band of inlay and standing on all four original brass castors. Very comfortable chairs, the upholstery is "vintage" but is in good condition...I will be having the studs to the front of the seats replaced as they have been removed. If the upholstery isn't right for you, no problem at all to arrange for them to be re upholstered in your own choice of fabric, please get in touch for meterage and cost. Good decorative pair of comfortable wing armchairs, not huge so they don't over power a room. Price as a pair and with the current vintage gold stripe velvet upholstery (includes the studs being replaced) Measuring: 42 1/2" or 108cm high 24" or 61cm wide 25" or 64cm deep Seat 18" or 46 high 18" or 46cm wide between arm pads 19" or 48cm deep 16" or 41cm wide between the wings at shoulder height Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit rem...
