Description

Good large size Chinese carved boxwood and cork garden and temple scene in original hardwood and glass case and stand. These carved chinese wooden models are incredible. The detail is fantastic and the thin-ness and small size of the parts of carved wood in out of this world. How they did it, even to a craftsman like me, is almost un-believable. SIZE; 20" wide by 4" deep by 11" high CIRCA; 1930
